You deserve your most important day to be truly unforgettable!

ALE FALE RESTAURANT

an option for 60-70 guests

For receptions of **up to 120 guests**, we recommend our **covered restaurant hall with a sea view**.

The hall features a spacious dance floor and a bright interior that we can arrange according to your vision. We will tailor the décor and styling to match the atmosphere of your celebration, and we are happy to share our experience and offer guidance.

The magic lies in the details. We will personally ensure your dreams come true.
P.S. You can even hear the sound of the sea inside the hall!

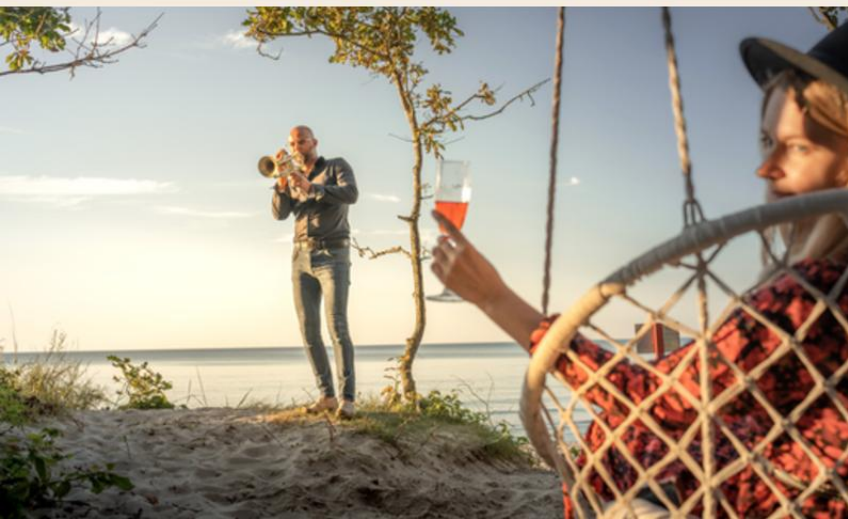

BEACH BAR

suitable for 70-200 guests

If you envision your special day outdoors, we recommend our open seaside venue. The sound of the waves and forest, breathtaking sunsets, and a sandy beach are the greatest highlights of this location. The versatile layout of the Beach Bar allows for décor in a variety of styles.

Adjacent to the venue is a green area that can be used in many ways perfect for a barbecue reception, bonfire, or an evening concert under the stars, among many other possibilities.

OUTDOOR EVENT TENT

an option for 70-200 guests

If your heart says yes to a semi-open space, our marquee is the perfect setting for your dream wedding.

Its versatile interior, close to nature, and the flexibility to place it in any location allow it to be perfectly tailored to the atmosphere and character of your celebration, while the dance floor will be arranged so your guests won't want to leave it.

Additionally, your guests will have access to the outdoor area, where we can arrange open-air activities and relaxation spaces.
